

Getting started as a TA

Aims

To develop a new TA's confidence and understanding of their

- roles and responsibilities
- effective practice
- essential toolkit and approaches

Delivery

Two full days 9.30am till 3pm, plus a work-based task between sessions

Day 1: 4th November 2020

Day 2: 4th December 2020

Fiveways School, Yeovil

This popular, practical 2 day course for those brand new to the role of TA is offered again in autumn 2020.

The course aims to develop a new TA's confidence and understanding of their:

- roles and responsibilities
- effective practice
- essential toolkit and approaches

TAs will have opportunities to be part of a group and to share ideas through a workshop approach to:

- learn and develop skills to help pupils
- discover what the latest research says about TAs in school
- find where to go for ideas and support
- make links with other TAs and schools

Delegates will be asked to complete a work-based task between sessions.

£150 (20% discount for SPTS alliance schools)
